Cardio-Rheumatology Clinic
Brigham and Women's Hospital
Instructor, Harvard Medical School
Boston, MA, USA

14:30 **Panel Discussion 3:**

Lauren King, Angelo Papachristos, Paula Harvey, Anne Semb, Brittany Weber

15:00 **Closing remarks**

This event is organized by the **Cardio-Rheumatology Network**, a collaboration among clinicians and scientists within the Temerty Faculty of Medicine, University of Toronto. Established in 2017, the Cardio-Rheum Network aims to improve the primary prevention of cardiovascular events in rheumatic patients by developing novel approaches to risk stratification using traditional risk factors, laboratory biomarkers and cardiovascular imaging.
